- 1. When to count**
- 2. Process of counting**
- 3. Form 17C Part-II**
- 4. Proceeding**

Ballot Slips of VVPAT counting is/may be due to:

- 1) If electronic result from the Control Unit of EVM of any polling station can not be retrieved (**No more use of ADU**);
- 2) Counting of VVPAT slips of polling station(s) having cases of **improper conduct of mock poll procedure** by non-clearance of mock poll data/slips or mismatch of votes polled in CU and votes polled in CU mentioned in Form-17C, ***if winning margin is equal to or less than total votes polled in these polling stations.***
- 3) **Mandatory counting of ballot slips of VVPATs of five polling stations for each Assembly Constituency/Segment;**
- 4) **Recount of ballot slips** of VVPATs of any/all polling station is requested by the candidate/election agent(in due manner) and **allowed by the Returning Officer(Rule 56D).**

COUNTING OF VOTES in VVPATs

- Counting of votes shall be done according to rule 56C of the Conduct of Elections Rules, 1961.
- After announcement of result sheet entries, any candidate or his election/counting agent may apply in writing to the RO according to rule 56D of the Conduct of Elections Rules, 1961 to count the printed ballot slips of any or all polling stations.
- RO shall pass a speaking order, whether the counting of printed paper slips shall be done or not.

While deciding RO will give due consideration to-

- a) Whether the total number of votes polled in that polling station is more or less than the margin of votes between winning candidate and candidate making application ;
- b) Whether EVM met with any defect and was replaced during poll;
- c) Whether there was any complaint about VVPAT not printing the paper slips or complaint under rule 49MA by any voter in that polling station during poll.

Process of VCB counting

- White colour paper cards of post card size shall be used for draw of lot.
- The no of post card will be equal to polling stations whose result has been displayed in Control unit.
- The paper cards shall have pre printed AC/AS no. & name, date of polling on the top, polling station no. in the centre. Each digit of PS no shall be at least 1"× 1" size and printed in black ink.
- The paper to be four folded in such a way that polling station number is not visible.
- The paper cards shall be kept in big container and must be shaken before picking up 5 slips by RO.

- If RO decides to allow counting of printed ballot slips following procedure shall be followed-
 - a) VVPAT unit(s) of the respective polling station(s) shall be brought to the VVPAT Counting Booth (VCB) [one table to be earmarked as VCB].
 - b) VCB shall be enclosed in a wire-mesh just like a Bank Cashier Cabin, so that no VVPAT paper slip can be accessed by any unauthorised person.
 - c) Address tag(s) of the drop box of the VVPAT unit(s) shall be cross checked to ascertain that it actually pertains to the same polling station.
 - d) Address tag(s) of the drop box should be removed and printed paper slips shall be taken out and empty drop box should be shown to all counting agents.
